

STATUS OF NEW PROPOSAL RECEIVED DURING FINANCIAL YEAR 2017-18 UNDER EMR SCHEME

During financial year 2017-18 (September, 2017) new proposals under EMR Scheme were invited on Non-Communicable Diseases. The last date for submission of proposals was 30.09.2017. A total of 310 proposals (182 Ayurveda + 33 Yoga & Naturopathy + 30 Unani + 43 Siddha + 22 Homoeopathy) were received against the advertisement issued. After an initial scrutiny, a total of 93 proposals have been recommended by Research Councils (29 Ayurveda + 23 Yoga & Naturopathy + 15 Unani + 19 Siddha + 07 Homoeopathy) for further consideration of Ministry of AYUSH. Out of 93 proposals 49 new proposals (15 Ayurveda + 10 Yoga & Naturopathy + 09 Unani + 08 Siddha + 07 Homoeopathy) have been considered by the PSC/Ministry of AYUSH. Remaining 44 projects may or may not be considered by the Ministry, during current financial year i.e. 2018-19. The decision will be updated to all the Principal Investigator on due time. The Final Recommendation/Current Status/Action Taken in respect of all the 310 projects as on 31.05.2018 is detailed below:

AYURVEDA

Sl. No.	Name of the Institution	Title of the Project	Name of Principal Investigator	Final Recommendation / Current Status/Action Taken
1	Tezpur University, Department of Molecular Biology and Biotechnology, Tezpur University, Napaam, Sonitpur, Assam-784028, Tele: 09435920623, E-mail: tmedhi@tezu.ernet.in	Psychoneuroimmunological study on the effect of Ayurvedic prakriti based diet on VATA related ailments with special reference to depression	Principal Investigator: Dr. Tapas Medhi, Assistant Professor	Not recommended
2	National Institute of Technology Rourkela, NIT Rourkela, Rourkela, Sundergarh, Odisha-769008, Tele: 0661-2462150, Fax: 0661-2462154 E-mail: dean-sr@nitrkl.ac.in	Naturopathic effect of Annona reticulata on SOX9 expression and its transcriptionally deregulated Wnt/ β -catenin signalling pathway leading to lung cancer	Principal Investigator: Dr. Bijesh Kumar Biswal Assistant Professor	Recommended with minor modifications but revised proposal not received from the PI
3	Department of Medical Biochemistry, Dr. ALMPGIBMS University of Madras, Taramani Campus, Chennai – 600113, Tele: 044-24547085, Fax: 91-44-24540709, E-mail: pkalaiselvi@yahoo.com	Understanding the Pharmacodynamics of Ayurvedic preparation of Gymnema sylvestre in modulating insulin resistance and beta cell degeneration in Type 2 diabetes. YOGA & NATUROPATHY

S.No	Name of the Principal Investigator and Address	Title of the Project	Final Recommendation / Current Status/Action Taken
1	Prof. Kavita Gulati Department of Pharmacology Vallabhbhai Patel Chest Institute University of Delhi - 110007	A Clinical study to evaluate the effects of yogic intervention on pulmonary functions, inflammatory markers, oxidative stress and health status in patients of Chronic Obstructive Pulmonary Disease (COPD)	Approved by the PSC, Funds have been released
2	Dr. S. Poongothai, Senior Scientist & Head Clinical Trials Operations Madras Diabetes Research Foundation Chennai	The Impact of yoga intervention on Physical and mental health of Adults with Type 2 Diabetes	Approved by the PSC, Funds have been released
3	Dr. G H Naveen Research Consultant , Sai Seva Yoga Nature Cure Hospital and Research Centre (Run by NYRD Trust) 183/42-C, Big Street Thiruvannamalai-606601 Tamil Nadu	To Study the effect of Naturopathy and Yoga intervention in adolescent girls with polycystic ovarian syndrome (PCOS)- A Randomized Controlled Trail.	Considered and Not approved/Rejected by the PSC
4	Dr. Suchita M sheth, Associate Prof. and Head of the department, Smt KGMP Ayurvedic College, 12 Netaji subhash Road Charni Road Mumbai 400002	Multi centric open randomized controlled clinical trial to evaluate the long term effectiveness of yoga in the patients of type 2 diabetes mellitus	Considered and Not approved/Rejected by the PSC/AYUSH Ministry
5	Dr. Naresh Trehan Medanta Institute of Education and Research, Sector 38, Gurgaon, Haryana	A randomized controlled trial to evaluate the safety and effectiveness of a standardized yoga protocol, in impacting recovery of pulmonary function tests, in post-operative Coronary artery bypass grafting (CABG) patients	Considered by the PSC/AYUSH Ministry
6	Dr. Nitish Naik Prof. Dept. of Cardiology AIIMS Delhi	Yoga for ICD patients: A Randomized controlled trial to evaluate the efficacy of yoga on psychological and Arrhythmic outcomes of patients implanted with implantable cardioverter defibrillator	Considered by the PSC/AYUSH Ministry
7	Dr. Bairy Srinivas, Medical Superintendent, Manthena Satyanarayana Raju Arogyalayam, Venkatapalem Thullur Mandal Guntur	Effects of inpatient naturopathy low salt diet on cardiac autonomic function, vascular reactivity and salt sensitivity in patients with primary essential hypertension	Considered by the PSC/AYUSH Ministry
8	Dr. Gautam Sharma Prof. Dept. of Cardiology, AIIMS Delhi	Effect of Yoga on Clinical outcomes and quality of life in patients with vasovagal syncope. A Randomized Control Trial	Considered by the PSC/AYUSH Ministry

9	Dr. Vinod Kochupillai, Head of Department, Sri Sri Institute of Advanced Research (SSIAR) VVMVP, Bangalore	Effect of Breathing Process (Pranayama) on Natural Killer (NK) Cells and their cytotoxicity on cancer cells.	Considered by the PSC/AYUSH Ministry
10	Dr. Rima Dada Prof., Anatomy AIIMS Delhi	Impact of yoga based lifestyle intervention Autoimmune inflammatory arthritis	Considered by the PSC/AYUSH Ministry
11	Dr. Anoop Misra Diabetes foundation India C-6/57 Safdarjung Development Area, New Delhi	A six month randomised controlled trial of yogic exercises vs. aerobic physical activity on body composition (including anthropometry and skin fold thickness), multiple metabolic measures (including glycemic parameters, hepatic and pancreatic endocrine functions) hepatic and pancreatic fat, leukocyte telomerase length and telomerase activity in Asian Indians with prediabetes	Recommended to PSC/AYUSH Ministry after initial scrutiny, may be considered by the AYUSH
12	Dr. Ibrahim Khaleel A Assistant Prof., Dept. of Radiation Oncology Kidwai Memorial institute of Oncology (KMIO) Dr M H marigowda Road, Bangalore Karnataka 560029	Effect of Yoga on patients undergoing cranial/cranial-spinal irradiation in children with solid CNS tumors-A randomized controlled study	Recommended to PSC/AYUSH Ministry after initial scrutiny, may be considered by the AYUSH
13	Dr. K K Deepak. Prof., dept. of Physiology, AIIMS Delhi	A Study on effect of yoga on autonomic and vascular complications of type 2 Diabetes Mellitus	Recommended to PSC/AYUSH Ministry after initial scrutiny, may be considered by the AYUSH
14	Dr. Vineet Ahuja, Prof. Dept. of Gastroenterology, AIIMS New Delhi	The effect of structured yoga practives on the quality of life and clinical ourcomes in patients with ulcerative colitis	Recommended to PSC/AYUSH Ministry after initial scrutiny, may be considered by the AYUSH
15	Dr. Ulaganathan Mabalirajan. Senior Scientist Lab No. 611 Molecular Pathobiology of respiratory diseases CSIR Mall Road Delhi	Effect of Simplified Kundalini Yoga on Orexinergic system in Patients with Depression	Recommended to PSC/AYUSH Ministry after initial scrutiny, may be considered by the AYUSH
16	Dr. Rabindranath, Director, R & D Division World Community Service Centre, Temple of Consciousness, Arutperumjothi Nagar Aliyar-642101	Delineating novel neurohormonal mechanisms underlying simplified kundalini Yoga-Kaya yoga mediated beneficial effects on Diabetes	Recommended to PSC/AYUSH Ministry after initial scrutiny, may be considered by the AYUSH

17	Dr. Ravinder Porwal Shri Nath Naturopathy & Yoga Centre Bhagwat Das Road Kanpur UP 208001	Modulation of Arterial stiffness and other cardiorespiratory abnormalities, anthropometric status and body composition through yoga in preoperative and post operative non-communicable diseases	Recommended to PSC/AYUSH Ministry after initial scrutiny, may be considered by the AYUSH
18	Dr. Bhavuk Garg Associate Prof. Dept. of Orthopaedics AIIMS New Delhi	impact of yoga and Pranayama on respiratory functions in patients with scoliosis: A Randomized controlled trial under extramural research scheme	Recommended to PSC/AYUSH Ministry after initial scrutiny, may be considered by the AYUSH
19	Dr. Neena Khanna Prof. , Dept. of Dermatology and venereology AIIMS New delhi	Randomized controlled trial to evaluate the effect of yoga in the management of diffuse cutaneous systemic sclerosis	Recommended to PSC/AYUSH Ministry after initial scrutiny, may be considered by the AYUSH
20	Dr. (Mrs) Rukamani Nair, ND (OSM) Medical Superintendent Bapu Nature cure Hospital & Yogashram Mayur Vihar 1 Delhi 91	Effects of Yoga and Naturopathy in the treatment of Osteoporosis in postmenopausal women	Recommended to PSC/AYUSH Ministry after initial scrutiny, may be considered by the AYUSH
21	Dr. Mahesh Kumar Kuppusamy, Dept. of Physiology, Sri Ramachandra Medical College & Research Institute, Sri Ramachandra University Porur Chennai 116	Yoga and Meditation practice in the management of Psoriasis	Recommended to PSC/AYUSH Ministry after initial scrutiny, may be considered by the AYUSH
22	Dr. Omprakash Prabhakar Tikhe Maharishi Arvind Foundation 122 Madhani Estate Senapti Bapatmarg Dadar West Mumbai 400028	the Practice of "Bhoot Shuddhi Kriya" to treat Non Communicable disease patient	Recommended to PSC/AYUSH Ministry after initial scrutiny, may be considered by the AYUSH
23	Dr. Raj Kumar Yadav, Prof., Dept. of Physiology AIIMS Delhi	Genome wide analysis to explore stress, inflammation and cellular ageing following short-term and long-term yoga-based interventions in obesity and diabetes mellitus type 2	Recommended to PSC/AYUSH Ministry after initial scrutiny, may be considered by the AYUSH
24	Dr. Geetanjali Bade Assistant Prof. Department of Physiology AIIMS, New Delhi	Effect of Pranayama on dynamic hyperinflation of lungs and thoraco-abdominal asymmetry in chronic obstructive pulmonary disease patients: a randomized controlled trial	The project was not Recommended by CCRYN.
25	Dr. Renu Bhatia, Associate Prof. Dept. of Physiology Convergence, AIIMS, New Delhi	Effect of Yoga on Corticomotor Excitability in Fibromyalgia patients	The project was not Recommended by CCRYN.

26	Prof. M A Lakshmithathachar, R & D Head and President, No. 1448/1, 5th Cross K M Puram Mysore Samskriti Foundation	A Multi-disciplinary online Encyclopedia of technical terms (in Sanskrit) of yoga and allied fields	The project was not Recommended by CCRYN.
27	Dr. N Ravichandran, Dept.of Health Management, Jamia Hamdard University, Hamdard Nagar New Delhi-110062	Measuring The effect of Yoga and Meditation Intervention (YAMI): An evidence based primary and secondary care for women pregnancy and after child birth	The project was not Recommended by CCRYN.
28	Dr. V Vijaya Padma, Prof. and Head, Dept. of Biotechnology School of Biotechnology and genetic Engineering Bharathiar University Coimbatore-641046	Effect of Kayakalpa yoga on aging	The project was not Recommended by CCRYN.
29	Dr. Shruti Shukla, Subhuti (NGO/Trust) A-21 Sharanam-I Satellite Ahmedabad Gujarat 380015	A study to prove the efficacy of specific yogasans and pranayam for the treatment of Patients with diabetis alongwith standard treatment protocol	The project was not Recommended by CCRYN.
30	Dr. Shilpa Sudharkar Harak, Assistant Prof., Rokhale Education society Dir Dr, M S Gosavi College of pharmaceutical education and research prin TA vidyanagar college road Nasik 422005	Integrated approach of yoga & Naturopahy for the treatment of obesity-the base of most diseases	The project was not Recommended by CCRYN.
31	Dr. K Sambasiva Murty Prof. Jagadguru ramamandacharya Bhankrota Jaipur Rajasthan	Exploration of metabolic changes in subjects with conditioned yoga and meditation regimen by next generation sequencing techniques	The project was not Recommended by CCRYN.
32	Dr. Tikhe sham ganpat, assistant prof. MDNIY	Tracking alterations in stress associated physiological function with yoga through electronic photonic imaging and assessing its ability as a progonostic tool in relation to biomarkers	The project was not Recommended by CCRYN.
33	Dr. Abhishek Shankar, AIIMS, New Delhi	A Study evaluating the role of Yoga in Maintaining quality of life in head and Neck cancer patients and their family caregivers	The project was not Recommended by CCRYN.

UNANI

S. No	Name of the Principal Investigator and Address	Title of the Project	Final Recommendation / Current Status/Action Taken
1.	Dr. M. Rasool School of Bio-Sciences & Technology, VIT University, Vallore-632014- Tamil Nadu	Exploring the therapeutic mechanism of <i>Majoon Chobchini</i> , a Unani medicine in the management of Rheumatoid arthritis (<i>Waja-ul-Mafasil</i>)-an immunological investigation	Approved by the PAC, Funds have been released
2.	Prof. M. Moshahid A. Rizvi Department of Biosciences Jamia Millia Islamia, New Delhi	In vitro evaluation of <i>Nigella sativa</i> extracts along with conventional drugs in different cancer cell lines	Not Recommended
3.	Dr. A. Mujib Department of Botany, Hamdard University (Jamia Hamdard), New Delhi	Identification of <i>Catharanthus roseus</i> and <i>Taxus wallichiana</i> overproducing cell lines/ plants from different geographical regions: a molecular approach for better applications and treatment of non-communicable diseases	Not Recommended
4.	Dr. Saif Hameed Associate Professor, Amity Institute of Bio-Technology Amity University Haryana, Gurugram (Manesar)	Evaluation of anti-fungal potential of Unani drugs (<i>Marham Znagar, Marham Misri and Marham Sabz</i>) against human fungal pathogens	Not Recommended
5.	Dr. Sarwat Sultana Professor, Department of Medical Elem. & Toxicology School of Chemical & Life Sciences, Jamia Hamdard, Hamdard Nagar, New Delhi	Role of Unani drug in mitigation of prostate cancer via targeting multiple molecular pathways (P13K/Akt/Mtor and MAPK/JAK-STAT) pathways in animal model	Not Recommended
6.	Dr. Ruchika Kaul- Ghanekar Ass. Prof. and Head, Cancer Research Lab, IRSHA Katraj Campus, Satara Road, Dhankawadi, Pune, Maharashtra	Evaluating the anticancer activity and mechanism of action of Unani formulation <i>Habbe Musaffi Khoon</i> against cervical cancer	Considered by the PSC/AYUSH Ministry
7.	Prof. Suhel Parvez Head, Department of Toxicology, Faculty of Science, Jamia Hamdard, New Delhi	Mitochondria as critical target for deciphering cellular mechanisms in Traumatic Brain Injury with Unani Formulations	Recommended to PSC/AYUSH Ministry after initial scrutiny, may not be considered by the AYUSH because of pending UC against the Institute
8.	Dr. Arpita Rai Assistant Proff. Oral Medicine and Radiology Faculty of Dentistry, Jamia Millia Islamia, New Delhi	Efficacy and safety evaluation of Unani formulations <i>Zaroor-e-Qula and Jawarish Amla Sada</i> in patients with early-intermediate stage oral submucous fibrosis – A blinded randomized controlled trial	Considered by the PSC/AYUSH Ministry

9.	Dr. Deepshikha Pande Katare Assistant Director & Head, Centre for Medical Biotechnology, Amity Institute of Biotechnology, Uttar Pradesh, Noida	Phytosomal Formulation and characterization of a Unani Drug <i>Doodhi Kalan (Euphorbia hirta)</i> for Diabetes Mellitus and Evaluation of its Efficacy by Protein Based Signatures	Considered by the PSC/AYUSH Ministry
10.	Dr. Manju Sharma Associate Professor, Department of Pharmacology School of Pharmaceutical Education & Research, Jamia Hamdard, New Delhi	Pharmacological Evaluation of a Unani formulation for Anti-gout, Anti- inflammatory and Anti-oxidant Activities in Experimental Rat Models	Not Recommended
11.	Dr. Syed Mansoor Ali Assistant professor, Department of Biotechnology, Faculty of Natural Sciences, Jamia Millia Islamia, New Delhi	Therapeutic potential of traditional Indian medicinal plants in tumor microenvironment and progression of lung cancer	Recommended to PSC/AYUSH Ministry after initial scrutiny, may be considered by the AYUSH
12.	Dr. Uzma Bano Assistant professor Amraz-e- Atfal, School of Unani Medicine, Jamia Hamdard	Clinical study to evaluate safety and efficacy of <i>Sharbat Bel Giri</i> in the treatment of acute diarrhea	Not Recommended
13.	Dr. Suhail Fatima Prof. & H.O.D. of Amraz-e- Niswan Qabalat wa Atfal, School of Unani Medicine, Jamia Hamdard, New Delhi	Screening and Prevention of Cervical & Breast Cancer through Self- Instructional Module and “Effect of <i>Marham-e-dakhilyoon</i> in the Treatment of Inflammatory Pap’s Smear –A RCT”	Recommended to PSC/AYUSH Ministry after initial scrutiny, may not be considered by the AYUSH because of pending UC against the Institute
14.	Prof. S. Raisuddin Department of Medical Elementology & Toxicology School of Chemical & life Sciences	Molecular mechanisms of action of metalloid Unani Kushtajat for their role in protection against cellular stress	Recommended to PSC/AYUSH Ministry after initial scrutiny, may not be considered by the AYUSH because of pending UC against the Institute
15.	Dr. K. Sabitha Assistant Professor, Centre for Biotechnology and Bioinformatics (CBB), School of Life Science Jawaharlal Nehru Institute of Advanced Studies, Budha Bhawan, Hyderabad	Studies on Anti-diabetic Properties of some Indian medicinal plants using cell lines and assessing their safety and molecular profiles	Not Recommended
16.	Dr. Mohammad Husain Professor and Head, Department of Biotechnology, Jamia Millia Islamia, New Delhi	Screening and comprehensive evaluation of some medicinal herbs against Cancer progression: an attempt to unveil herbs in modulating certain hallmarks of cancer	Recommended to PSC/AYUSH Ministry after initial scrutiny, may be considered by the AYUSH

17.	Dr. Md. Imtiyaz Hassan Assistant Professor, Centre for Interdisciplinary Research in Basic Sciences, Jamia Millia Islamia, Jamia Nagar, New Delhi	Structure Based Approach to Find Potential Inhibitors of Yes 1 Tyrosine Kinase among Indian Medicinal Plants for Therapeutic Targeting of Colorectal Cancer using animal Model	Not Recommended
18.	Dr. Wahid Khan Assistant Professor, National Institute of Pharmaceutical Education & Research - Hyderabad	Unani drugs and their nano therapeutics for eradication of tumor by stem cell targeting	Not Recommended
19.	Dr. B.D.P. Kala kumar Professor & Head, Dept. Pharmacology & Toxicology, College of Veterinary Science, R Nagar, PVNRTVU, Hyderabad	New Vista in Veterinary Therapeutics: Evaluation of Unani <i>Mudir-e-Laban</i> formulation in animals for A scientific approach for new drug development	Not Recommended
20.	Dr. A. Shariff Professor, Department of Anatomy, AIIMS, New Delhi	Identification and validation of ameliorative effects of a Unani formulation and its constituents on fluoride induced nephrotoxicity	Considered by the PSC/AYUSH Ministry
21.	Dr. Azhar Jabeen Assistant Professor, Department of Moalajat, School of Unani Medicine, Jamia Hamdard	A Randomized controlled Clinical Study to Evaluation the Efficacy of <i>Hijamah-bil-shart</i> in Cervical Spondylosis	Considered by the PSC/AYUSH Ministry
22.	Dr. Arun Mukharjee Sr. Consultant in Medicine	Placebo controlled double blind randomized cross-over study on the efficacy and safety of a Unani drug <i>Buhi Amla (Phyllanthus Niruri)</i> in improving quality of life of children with Autism	Not Recommended
23.	Dr. Jagriti Bhatia Professor, Department of Pharmacology, AIIMS, New Delhi	Pharmacological and molecular approaches to investigate the effect of Abresham in experimental models of Bleomycin induced idiopathic pulmonary fibrosis	Approved by PAC, Funds have been released
24.	Dr. Kavindra Kumar Kesari Assistant Professor, Dept. of Bio-Engineering, Integrated University, Lucknow	In-vitro analysis of anticancer efficacy of herbal concoctions using cyanobacteria and mammalian cell line for the development of novel and effective herbal formulations	Not Recommended
25.	Dharamvir Singh Arya Lab No. 4028, Department of Pharmacology, All India Institute o Medical Sciences, Ansari Nagar, New Delhi	Pharmacological and Molecular Approaches to investigate the effect of Galangin in experimental model of Myocardial Information in Streptozotocin Induced Diabetic Rats.	Not Recommended
26.	Dr. Mubashir Hussain Masoodi Sr. Assistant Professor, Dept. of Pharmaceutical Sciences, University of Kashmir	Isolation, Pharmacopoeial standardization and anti-diabetic activity of Unani drugs <i>Qurs Tabasheer & Qurs Zibetus</i>	Considered by PSC/Not approved by the PSC

27.	Dr. Mohammad Zahid Ashraf Professor, Department of Biotechnology, Jamia Millia Islamia, New Delhi	Determination of Antithrombotic Potential of Traditionally used Medicinal plants and their pharmacokinetic and metabolomic profiling	Considered by the PSC/AYUSH Ministry
28.	Dr. Kanchan Kohli Professor and Head, Department of Pharmaceutics, School of Pharmaceutical Education and Research, Jamia Hamdard, New Delhi	Standardization and Development of Gold Nanoparticle Formulation of Unani Drug <i>Picrorhiza Kurroa</i> (Kutki) extract for Cancer Therapy	Recommended to PSC/AYUSH Ministry after initial scrutiny, may not be considered by the AYUSH because of pending UC against the Institute
29.	Dr. Mymoona Akhtar Associate Professor, Department of Pharmaceutical Chemistry, School of Pharmaceutical Education and Research, Jamia Hamdard, New Delhi	Evaluation of medicinal Plants used in Unani system of medicine for Sartan: A mechanistic approach	Not Recommended
30.	Dr. Showkat R. Mir Sr. Assistant Professor, Dept. of Pharmacognosy & Phytochemistry, Faculty of Pharmacy, Jamia Hamdard, Hamdard Nagar, New Delhi	Development of chromatographic methods for the estimation of bio-active markers in <i>Qurs-e-Ziabetus Khaas</i> and their application in its pharmacokinetic studies	Not Recommended

SIDDHA

S. No.	Name of the Principal Investigator and Address	Title of the Project	Final Recommendation / Current Status/Action Taken
1.	Dr. R. Mary Suja, Ariyampacodu, Kulasekharam (PO) - 629 161	Pharmacological studies of Traditional Siddha Breast Cancer Medicines of Kulasekharam, Kanyakumari District India	Not recommended by Experts
2.	Dr. C. Soundararajan, Professor, Department of Veterinary Parasitology, Madras Veterinary College, Tamil Nadu Veterinary and Animal Sciences University, Vepery Chennai - 600 007.	Validation of Ethno Veterinary Medicines to Control Myiasis in Livestock	Not recommended by Experts
3.	Dr. G. Wiselin Jiji The Principal, Dr. Sivanthi Aditanar College of Engineering, Tiruchendur – 628401.	A pilot work to develop a tool to diagnose the stages of autoimmune disease - psoriasis	Not approved/Rejected by the PSC
4.	Dr. T. Ramasamy, Assistant Professor, Department of Veterinary Pharmacology and Toxicology, Madras Veterinary College, Chennai - 600 007.	Evaluation of the Mechanism of action and Efficacy of Marutham Pattai Chooranam in Preclinical models of hypertension and atherosclerosis and its Combination with conventional antihypertensive drugs	Not recommended by Experts
5.	Dr. P. Pandikumar Scientist, Division of Ethnopharmacology, Entomology Research Institute, Loyola College, Chennai - 600 034.	Evaluating the efficacy and safety of classical Siddha formulations for the treatment of Non-Alcoholic Fatty Liver Disease using in vitro and in vivo models	<ul style="list-style-type: none"> • Recommended to PSC/AYUSH Ministry after initial scrutiny, may be considered by the AYUSH • Pending submission of IAEC approval
6.	Dr. J. Jeyavenkatesh, Siddha Physician, Indian Medicine Welfare Trust 27, Jaihindpuram I Street, Madurai – 625 011.	Documentation and clinical validation of the efficacy of “Neikuri Analysis” for “Madhumegam” (type 1 and 2 - diabetes mellitus) and its complications using Neikuri reader (a novel Siddha diagnostic tool) and a custom software	Not recommended by Experts
7.	Dr. S. Balaji Associate Professor (Senior scale) Department of Biotechnology, Manipal Institute of Technology, Manipal University, Karnataka – 576 104.	Physicochemical characterization and toxicity (in vitro & in vivo) profile of Karuppu formulations, an unique formulation to Siddha	Not recommended by Experts
8.	Dr. M. Karunanithi, Assistant Professor - III, Centre for Advanced Research in Indian System of Medicine (CARISM), SASTRA University, Tirumalaisamudram,	Studies on Preparation, Standardization, Safety and Efficacy Protocols of Kunma Kudori in the Treatment of Peptic Ulcer Disease	<ul style="list-style-type: none"> • Recommended to PSC/AYUSH Ministry after initial scrutiny, may be considered by the AYUSH

	Thanjavur – 613 401.		<ul style="list-style-type: none"> • Pending submission of IAEC approval
9.	Dr. Arul Amuthan Team leader – Division of Siddha, Center for Integrative Medicine and Research, Senior Grade Lecturer in Pharmacology, Melaka Manipal Medical College, Manipal University, Karnataka – 576104	Exploring scientific evidence for Siddha intervention in the management of psoriasis college complete pre-clinical (safety and efficacy profiles) and clinical evaluation of two popular Siddha formulations”	Not recommended by Experts
10.	Dr. D. Sivaraman Scientist – C, 51, Selva Vinayagar Koil Street, Perambur, Chennai – 600 011.	Amelioration of t2dm associated neuro inflammation using targeted delivery of Siddha neurotherapeutics (kanthaka parpam) loaded liposomes	Not recommended by Experts
11.	Dr. Smita Shenoy (Pharmacology) Additional Professor, Department of Pharmacology, Kasturba Medical College, Manipal University, Manipal, Karnataka.	An in vitro and in vivo evaluation of hepatoprotective potential of Kadukkai maathirai (Siddha herbal preparation) in alcoholic and non-alcoholic fatty liver disease college a mechanistic approach	Recommended to PSC/AYUSH Ministry after initial scrutiny, may be considered by the AYUSH
12.	Dr. S. Sriram, School of Chemical and Biotechnology (SCBT) SASTRA University Thirumalaisamudram Thanjavur – 613 401.	Scientific validation of a Zinc based herbo-metallic preparation Nakacenduram and elucidating its pharmacological action and plausible molecular mechanism against kunmam	Recommended to PSC/AYUSH Ministry after initial scrutiny, may be considered by the AYUSH
13.	Dr. N. Pazhanivel, Professor, Dept. of Veterniary Pathology, Madras Veterniary College, Chennai - 600 007.	Anti tumour potential, safety evaluation, prophylactic and therapeutic efficacy of siddha drug velvanga parpa against N-nitroso-N-methylera (NMU) and testosterone induced porstatic cancer in rats	Not recommended by Experts
14.	Dr. K.S. Uma, Associate Professor, The TN Dr. MGR Medical University, 69, Anna Salai, Guindy, Chennai – 600 032	Safety and efficacy of aswathi chooranam vs plain amukkura chooranam for adhithoolam (obesity) - A double blind, randomized trial	Not approved by the PSC
15.	Dr. C. Jaikanth, Scientist, Ethnopharmacology Unit, The Life Clinic Organic Bio Hospital, (A sister concern of M/s, Lab Life Science Intelligentsia) Farmyard, Chattupara NH 49, Ernakulam-Munnar Road, Adimali - 684 561.	Early detection of life style disorders and Siddha organic food therapy integrated herbal medicinal treatment	Not recommended by Experts
16.	Dr. G.J. Christian, Associate Professor, National Institute Siddha, Tambaram Sanatorium, Chennai - 47	A preclinical & clinical study on the Complementation effect of selected Siddha formulations to Conventional Radiation therapy in the Management of Head and Neck Malignancies.	Not approved by the PSC
17.	Dr. Sudha Revathy	Process standardization and	Considered by the

	Assistant Director Asthagiri Herbal Research Foundation Perungudi, Chennai	exploration of a novel Siddha pathangam preparation for its role in the management of oropharyngeal cancer.	PSC/AYUSH Ministry
18.	Dr.S.Narasimhan Chairman & Managing Director Asthagiri Herbal Research Foundation, Perungudi, Chennai - 600 096	Screening of Thetran (<i>Strychnos potatorum</i>) based siddha formulations as an adjuvant to Cancer chemotherapy	Not recommended by Experts
19.	Dr. T. Lakshmikantham, Lecturer, Dept. of Maruthuvam, National Institute Siddha, Tambaram Sanatorium, Chennai – 600 047.	An open clinical trial to evaluate the therapeutic efficacy of Siddha herbo mineral formulation "NIS-KK-M" in Garpa Vayu (Sinappai Neerkatti - Polycystic ovarian disease)	<ul style="list-style-type: none"> Recommended to PSC/AYUSH Ministry after initial scrutiny, may be considered by the AYUSH Latest IEC approval not submitted
20.	Dr. N. Mangaiyarkarasi Senior Scientist, Central Inter disciplinary Research Facility, MGMCRI Campus, Pillaiyarkuppam, Puducherry - 607 402.	Evaluation of karpasi (Seawoods) Chooranam - a marine algal product for Anti - cancer activity	Not recommended by Experts
21.	Dr. S. Shanthi Joint Director, Siddha Division, World Community Service Centre, Temple of Consciousness, Arutperumjothi Nagar, Aliyar – 642101. Pollachi (T.K), Coimbatore (Dist.), Tamilnadu	To explore the immune and molecular mechanisms underlying anti-asthma potential of poly-herbal siddha formulations”	Not recommended by Experts
22.	Paul Atish Tulsiram Dept. Of Pharmacy, Birla Institute of Technology & Science Pilani, Vidyavihar, Pilani - 333031	Development Pharmacological Evaluation and Chromatographic Standardization of anti - obesity product based on selected Siddha drugs	Not recommended by Experts
23.	Dr. K.N. Sunil Kumar, Research Officer (Pharmacognosy), Siddha Central Research Institute, Arumbakkam, Chennai - 600106	Database cum Pharmacognosy Repository of some Unique medicines used for Maternal, New born, Child and Adolescent Healthcare in Siddha	Considered by the PSC/AYUSH Ministry
24.	Dr. C. Savariraj Sahayam, Assistant Professor, Center for Advanced Research in Indian System of Medicine(CARISM), SASTRA University, Thanjavur – 613401.	Transitive the Traditional Science of Diabetic Health mix in the management of micro- vascular complications	Recommended to PSC/AYUSH Ministry after initial scrutiny, may be considered by the AYUSH
25.	Dr. A. Hannah Rachel Vasanthi, Professor, Dept. of Biotechnology, School of Life Sciences, Ponidcherry University, Pondicherry - 605 014	Karuvanga Chenduram a lead based herbo -mineral drug for the management of Metabolic syndrome in experimental animals	Recommended to PSC/AYUSH Ministry after initial scrutiny, may be considered by the AYUSH
26.	Dr. A. Hannah Rachel Vasanthi,	Safety and efficacy studies of Siddha	Recommended to

	Professor, Dept. of Biotechnology, School of Life Sciences, Pondicherry University, Pondicherry - 605 014	drug Kanagalinga karpooora mezhugu for Rheumatoid Arthritis	PSC/AYUSH Ministry after initial scrutiny, may be considered by the AYUSH
27.	Dr. R. Rathinamala, Research Officer (Siddha), Siddha Regional Research Institute, Puducherry - 605 013.	Development of antidiabetic polyherbal Siddha formulation for the management of NIDDM	Not recommended by Experts
28.	Dr. Gayathri Gunalan Research Officer (Bio-Chemistry), Siddha Regional Research Institute, Puducherry - 605 013.	Ameliorative potential of Aavarai vithaadhi chooranam in streptozotocin induced diabetic retinopathy	<ul style="list-style-type: none"> Recommended to PSC/AYUSH Ministry after initial scrutiny, may be considered by the AYUSH Pending submission of IAEC approval
29.	Dr. Gino A. Kurian Senior Assistant Professor SCBT, ASK117, Vascular Biology Lab	Vaani Ghritham, a novel Siddha formulation targeted to the ischemic brain for the treatment of stroke	Not recommended by Experts
30.	Dr. Meenakshi Sundaram Muthuraman Assistant Professor Department of Biotechnology School of Chemical & Biotechnology, SASTRA University, Thanjavur - 613401	Single Step Extraction and Purification of Phenyl propanoids and Investigation of their Biomedical Role in Treatment of Stomach Cancer	Approved by PAC, funds have been released
31.	Dr. N. Kabilan, Professor & Head, Department of Siddha, The Tamil Nadu Dr. MGR Medical University, # 69, Anna Salai, Guindy, Chennai - 600 032.	Evaluation of Cyto-Toxic and Anti-Proliferative Activity of a Siddha Herbo-Mineral Formulation Sanda Rasa Parpam (SRP)	Considered by the PSC/AYUSH Ministry
32.	Dr. N. Kabilan, Professor & Head, Department of Siddha, The Tamil Nadu Dr. MGR Medical University, # 69, Anna Salai, Guindy, Chennai - 600 032	Preparation of Standard Research Protocol Guidelines for Non Communicable Diseases in Siddha System of Medicine	Not approved/Rejected by the PSC/Ministry of AYUSH
33.	Dr. K. Petchimuthu, Assistant Professor, Department of Botany, Sri Kumara Gurupara Swamigal Arts College, Padmanabhamangalam, Srivaikundam - 628 619, Thoothukudi – District.	Bioprospecting of selected Antimalarial plants	Not recommended by Experts
34.	Dr. I. Jeena Jacob, Professor, Department of Computer Science and Engineering, SCAD college of Engineering and Technology,	Development of an application for disease prediction and guidance for diabetic patients utilizing the concepts of Siddha Medicine	Not recommended by Experts

	SCAD Nagar, Cheranmahadevi, Tirunelveli - 627 414.		
35.	Dr. K.V. Arun, Professor and Head, Dept. of Periodontics Ragas Dental College and Hospital Chennai- 600 119	Formulation and evaluation of <i>Solanum xanthocarpum</i> (Kandankathiri) fruits and seeds incorporated novel anti- plaque agent and a biodegradable local drug delivery system for the management of chronic periodontitis"	Not recommended by Experts
36.	M. Maridass Director, Gayathri Teknological Research and Publication, Room No.5, Arunagiri Complex, South Bazaar, Palayamkottai – 627002.	Ethnobotanical and Clinical evaluation of Dengue fever through plant based mosquito repellent of selected medicinal plants of Western Ghats against <i>Aedes aegypti</i> (Dipteracolge Culicidae) mosquito	Not recommended by Experts
37.	Dr. K. Ganesh Kumari, Assistant Professor, PG & Research Department of Botany & Biotechnology, Bon Secours College for Women, Thanjavur – 613 006.	Identification of new compound for anti-diabetic activity from three <i>Salacia</i> sps. - its efficacy and validation	Not recommended by Experts
38.	Dr. G. Gandhimathi, Professor / ECEParisutham Institute of Technology and Science, Ring Road, Thanjavur - 613 006.	Digitization of NAADI for the diagnosis of Non Communicable Disease (Diabetes Mellitus) using Machine learning algorithm	Not recommended by Experts
39.	Dr. T. Tamizhmani, Director, Bharathi College of Pharmacy, Bharathinagara, Mandya-Dist, Karnataka - 571422.	Anticancer efficacy of isolated phyto - constituents from Siddha plants"	Not recommended by Experts
40.	Dr. Dejay, Assistant Professor, Department of Computer Science and Engineering, Anna University Regional Campus, Tirunelveli - 627007	A non-invasive low cost Naadi Parisothanai Device for Prognosis or Diagnosis of Non-Communicable Diseases	Recommended to PSC/AYUSH Ministry after initial scrutiny, may be considered by the AYUSH
41.	Dr. Giriraj T Kulkarni, Professor, Amity Institute of Pharmacy, Amity University, Sector-125, NOIDA - 201313	Development of Nose-to-Brain Particulate Delivery System for Selected Siddha Medicines for Therapy of Alzheimer's Disease and Vascular Dementia	Not recommended by Experts
42.	Dr. Sujatha Sunil, Group Leader Vector Borne Diseases Group International Centre for Genetic Engineering and Biotechnology, Aruna Asaf Ali Marg New Delhi - 110 067	Enhancing Efficacy of Amukkara Chooranam for treating chronic arthralgia by combining with Nilavembu kudineer choornam and Vathasura kudineer choornam and understanding the possible mode of action of these combination medicines	Recommended to PSC/AYUSH Ministry after initial scrutiny, may be considered by the AYUSH
43.	Dr. G. Raju, Assistant Professor Department of Zoology, Pioneer Kumaraswamy College, Nagercoil - 629 003.	Synthesis of nanoparticles and antioxidant potential of gold and silver nanoparticles conjugated phenoloic compounds of <i>Cinnamomum</i> species	Not recommended by Experts

HOMOEOPATHY

S. No.	Name of the Principal Investigator and Address	Title of the Project	Final Recommendation / Current Status/Action Taken
1.	Dr. Jayendra Amity Institute of Pharmacy, Amity University, Noida sector-125, Noida, UP	Comparative study of different Individual homoeopathic drugs having synergistic anti-diabetic activity with their formulations.	Not recommended by reviewers. Comments/suggestions were communicated to PI.
2.	Prof. (Dr.) Nandan Bhattacharyya Panskura Banamali College, West Bengal	Functional analyses of a novel variant form of DNA polymerase beta that express specifically in ovarian cancer by homoeopathic drugs	Not recommended by expert. Comments/suggestions were communicated to PI.
3.	Prof. Dr. S. Manilal, MNR Homoeopathic Medical college & Hospital, MNR Nagar, Fasalwadi, Sangareddy-Telangana	Efficacy of Homoeopathy in Alcohol De-Addiction	Not recommended by expert. Comments/suggestions were communicated to PI.
4.	Prof. Dr. S. Manilal, MNR Homoeopathic Medical college & Hospital, MNR Nagar, Fasalwadi, Sangareddy-Telangana	Anaemia In Young Girls & Young Mothers.	Not recommended by experts. Major modifications required. Comments/suggestions were communicated to PI.
5.	Dr. Pradip Barde Prof and Head, Department of Physiology, In-charge, Central Research Laboratory, Dr. Vasant Rao Pawar Medical College, Hospital and Research Centre, Nashik	Effect of Homoeopathic Medicine as an Adjunct to standard Care on Angiogenic and Inflammatory Markers in Children with Haemophilia.	Not recommended by one of the expert. Comments/suggestions were communicated to PI.
6.	Dr.(Mrs.) Krishna Das Saha Principal Technical Officer CSIR Indian Institute of Chemical Biology 4, Raja S.C. Mullick Road Kolkata -700032, West Bengal	Management of Colorectal Carcinoma using Homoeopathic Medicines (Rutagraveolens, Hydrastis Canadensis, Glycyrrhiza glabra, Sanguinaria Canadensis and Thuja Occidentalis): Assessment of Molecular Mechanism.	Not recommended by one of the expert. Major modification required. Comments/suggestions were communicated to PI.
7.	Dr. R. Madheswaran, Diplomate, American Board of Toxicology (DABT) Pathology, Veterinary College and research Institute, Namakkal 637002.	Assessment of Pharmacological efficacy of Belladonna in preclinical models of swollen lymph nodes and its clinical application in veterinary medicine for the treatment of lymphadenopathies.	Major modification required. May not be considered Comments/suggestions were communicated to PI.
8.	Dr. Perna Raina Sr. Research Assistant, Cancer Research Lab, IRSHA, Bharati Vidyapeeth Deemed University, Pune, Maharashtra	Evaluating the anticancer activity of homoeopathic preparation of Linum usitatissimum in breast cancer.	Considered by the PSC/AYUSH Ministry
9.	Dr. A. K. Wadhvani Professor, Dept. of Electrical	Development of a Diagnostic cum Therapeutic System for Dementia	Not recommended by one expert. Major modification

	Engineering, M.I.T.S., Gwalior-474005, MP	Disorders by Soft Computing Techniques under the Principle of Homoeopathy	required. Comments/suggestions were communicated to PI.
10.	Dr. Rashmi S. Tupe Biochemical Science Division Rajiv Gandhi Institute of IT and BT Bharati Vidyapeeth University, Pune 411046 Maharashtra	In vitro and clinical antiglycation evaluation of <i>Syzygium jambolanum</i> homeopathic preparation	Considered by the PSC/AYUSH Ministry
11.	Dr. S. K. Rajput Assistant Professor, Pharmacology & Toxicology, Amity Institute of Pharmacy, Amity University, Sector-125, Noida, UP	Exploring the Epigenetic Mechanisms of Homeopathy in Channelopathy: Looking beyond Immunological Aspects	Not recommended by one expert. Major modification required. Comments/suggestions were communicated to PI.
12.	Dr. R. Rukkumani Assistant Prof, Department of Biochemistry & Molecular Biology, Pondicherry University, Kalapet, Pudducherry-605014	A Comprehensive Evaluation of the anticancer efficacy, Safety and components of various Homoeopathic formulations of <i>Hydrastis Canadensis</i> available in market.	Considered by the PSC/AYUSH Ministry
13.	Dr. P. Kalaiselvi Department of Medical Biochemistry Dr. ALMPGIBMS, University of Madras, Taramani Campus Chennai-600113, Tamil Nadu	Stratifying the Effect of homeopathic preparation of <i>Allium sativum</i> in alleviation hypercholesterolemia – a mechanistic approach	Considered by the PSC/AYUSH Ministry
14.	Dr. B. R Shrivastava Research in (oncology Surgical) Director, cancer Hospital and Research Institute (CHRI) Gwalior-474009.MP	A Clinical evaluation of Alloxan and <i>Helleborus Niger</i> (HN) in the management of Diabetes	Not recommended by one expert. Major modification required. Comments/suggestions were communicated to PI.
15.	Dr. Sanjeev R. Acharya SSR College of Pharmacy (Affiliated to Savitribai Phule Pune University), Sayli, Silvassa, UT-Dadra, Nagar & Haveli.	Development and evaluation of a Novel Antidiabetic Homeopathy Preparation along with its standardization and preclinical safety & efficacy studies	Not recommended by one expert. Major modification required. Comments/suggestions were communicated to PI.
16.	Dr. Partha Roy Prof. & Head, Biotechnology Department, IIT, Roorkee, Uttarakhand	Assessment of the Mechanism of actions of some selected Homeopathic preparations for their role in the prevention/cure of hormone related cancer with special emphasis on prostate cancer.	Considered by the PSC/AYUSH Ministry
17.	Dr. Bipin Jain HOD, Dept of Materia Medica, Dr. M. L. Dhawale Memorial Homoeopathic Institute, Palghar, Maharashtra	Assessing effect of add-on homoeopathic intervention on Quality of Life in COPD: A multi-centric study in Rural populations.	Considered by the PSC/AYUSH Ministry
18.	Dr. Randhir Singh, Professor, Department of Pharmacology, Maharishi Markandeshwar College of Pharmacy, Maharishi Markandeshwar University, Mullana, Ambala, Haryana	Mechanistic exploration of <i>Phytolaccaamericana</i> and <i>Fucusvesiculosus</i> in management of obesity.	Not recommended by one expert. Major modification required. Comments/suggestions were communicated to PI.

19.	Dr. Ashutosh Shrivastava, Ph.D. Assistant Professor in Molecular Biology, Center for Advanced Research, King George's Medical, University, Lucknow	To investigate the mechanism of anti-cancer activity of homeopathic preparation Arsenicum Iodatum in Glioblastoma multiforme.	Considered by the PSC/AYUSH Ministry
20.	Dr. R. P. Agrawal, Professor In-charge, Diabetes Care & Research Centre, S. P. Govt. Medical College, Bikaner	Effect of Homoeopathic medicine (Glycerrhiza Glabra 1x, Echinacea 1x, Azadirachta Indica 1x) & Herbal medicine (Glycerrhiza Glabra, Echinacea, Azadirachta Indica) as an add on treatment of Swine Flu.	Not in priority area. Hence could not considered.
21.	Dr Priya Ranjan Debata Assistant Professor, PG Department of Zoology, North Orissa University	Evaluation of the anticancer properties of selected homoeopathic drugs in crude (Q) & potentised (6C & 30C) preparation in cell culture & mouse model of cervical cancer.	Not recommended by one expert. Major modification required. Comments/suggestions were communicated to PI.
22.	Dr. Akshay M. Baheti Associate Professor and Head, Dept. of Pharmacognosy, MAEER's Maharashtra Institute of Pharmacy, Pune	To standardize, potentize and evaluate anticancer potential of Homoeopathic cow urine (Gomutra) formulation on various cancer cell lines.	Received after due date/Not considered
